1. *Choose your favourite pet. Look for information about it on the Internet.*

- What is your pet called in English?
- Where does your pet come from (which country)?
- Where does your pet live (in your flat)?
- What does it eat?
- What does it do in the morning/afternoon/evening?
- What is special about your pet?
- ...

2. *Use **Chatterpix** to make your pet speak (make a screenshot):*

My name is.... I'm a I live in

(You may also label your speaking picture with important pieces of information.)

3. *Present your speaking picture to your partner.*

4. *Write a short text about your partner's favourite pet.*

5. *Read out the description to your class mates. Try not to look at your notes and don't mention the name of the pet.
Can your class mates guess which pet it is?*
